\$1,049,000

Discover the epitome of contemporary living at 12805 Blackfoot Drive, nestled on a generous half-acre lot within the tranquil confines of Spencer Estates. This single-family gem boasts a unique vaulted living room that sets the tone for an abode where elegance meets functionality. Prodigy Homes presents the Interlude Bonus floorplan that unfurls across 2742 sq. ft., featuring four well-appointed bedrooms and three full bathrooms, including a luxurious primary suite that promises serenity and privacy. The home's modern farmhouse design is complemented by an open concept layout, anchored by a family room adorned with towering vaulted ceilings and large windows that bathe the space in natural light. Entertain guests effortlessly or enjoy quiet evenings beside the fireplace set against the entertainment center wall. The heart of this home is undoubtedly its expansive kitchen area, which seamlessly transitions into dining and living spaces – ideal for gatherings large or small. Car enthusiasts will appreciate the attached 3-car RV bay, offering ample space for vehicles or additional storage needs. Upstairs lies an alluring bonus room complete with its own bathroom – perfect as a guest retreat or entertainment hub. Step outside to discover more: A covered patio extends your living space outdoors where you can bask in serene Pasco afternoons while savoring views of your sprawling estate grounds. Additional features include tall 16ft entry ceilings accentuating grandeur upon arrival; full laundry facilities ensuring practicality; plus mudroom replete with built-in storage bench to keep daily essentials organized effortlessly. This property encapsulates luxury suburban dwelling amidst peaceful surroundings yet remains conveniently located to cater to all lifestyle needs. MLS# 278999
